All abstracts must adhere to the provided template or comply with the following formatting guidelines and be submitted via www.irc2025.com. Submissions must be written in English, should not exceed two pages, and must be saved in an MS Word document (A4 size). The text should be formatted using Times New Roman font, with a font size of 12 pt, single-line spacing, and justified alignment throughout the document. The abstract title should be concise, formatted in 14 pt bold font, typed in lowercase, and centered.

Full names of authors should be given and separated by commas. The presenting author must be underlined, and his/her e-mail address must be provided. Affiliations should appear directly on the line following the author's name, without leaving a blank line. Affiliations must be centered. Use superscript numbers to link authors to their respective affiliations. These numbers should be placed immediately after the author's name and before each affiliation. Ensure that the keywords are no more than five and separated by commas. Leave one blank line after the keywords section before the main abstract text.

For page layout, set the left, right, and bottom margins to 2.0 cm each, while the top margin should be set to 3.0 cm. All paragraphs must be justified with the first line indented. Embedded figures and tables are permitted, provided they are formatted according to the given examples. Ensure that the total file size does not exceed 2 MB.

The abstract should comprehensively and concisely address (1) the scope, objective, and goal of the research, (2) briefly review the pertinent literature, (3) describe the key methods and approaches used in the research, (4) provide a concise overview of the primary findings and outcomes of the work, (5) and briefly conclude the main findings, highlight their significance or implications, acknowledge any limitations, and, if relevant, suggest future directions. Cite references using square brackets (e.g., [1-3]) throughout the text. Provide a properly formatted reference list at the end of the abstract, adhering to the specified format in the template.
